DEBUNKING THE “ISRAEL WAS FOUNDED BY “ETHNICALLY CLEANSING” THE PALESTINIAN ARABS” BLOOD LIBEL

It is a blood libel to say that Jews ethnically cleansed the Palestinian Arabs to found the Modern Jewish State. In true, as opposed to corrupted history, it was Arab political, military and religious leadership that repeatedly urged Palestinian Arabs to leave their homes in order to clear the path for a quick Arab victory after which it was promised the Jews were to be ethnically cleansed out and the destruction of Israel would be complete.

By omission and/or commission: Lying about Israel is lying about Jews. That’s anti-Semitism. That’s the false and malicious “ethnic cleansing” blood libel.
